

EVENT SPACE AVAILABLE

Looking for an open space to host your event? Look no further! Kay Michael Lee Studio is available to you to hold your event!

Our large open studio space* measures out to 22' x 40' with the south wall decorated with 32' of mirror. The mirror is not your standard metal. Weighing at only 25 pounds per mirror, our mirrors are not a liability to your event.

Not only do we offer a large room to keep your guests entertained, we also have a welcoming lobby to greet you and your guests as they enter your event. A private bathroom that also serves as a small dressing room/coat room is easily accessible from both the studio space and front lobby.

We have hosted events such as birthday parties, high school graduation parties, bridal showers, bachelorette parties, rummage sales, product shows, meetings & more!
